The Book: Maniketra Yoga: How to Rejuvenate Your Heart and Mind By: Maniketra Yoga Association, <http://maniketrayoga.weebly.com>. Vikramanasana (Vedic medicine), also known as Pranabda yoga, is an ancient Indian method of life saving and healing practice, it involves cleansing a person's entire body and mind, thereby improving the mind with the idea of changing the life force so that it comes to a healthy state of mind. It is the oldest and most studied medicine practiced in India and can still be practiced in all Indian temples. The goal of this art is to achieve a balanced state of mind and to eliminate the negative qualities within and outside that one feels, which the mind has to maintain. This is achieved by performing many techniques of yoga, in addition to a meditation posture.
